

Lake Blackshear Regional Library offers faxing!

- Sending is **\$2.00 for the 1st page and \$1.00 per page thereafter**. The library will provide, at no charge, a cover sheet as well as a report showing the completed transmission. The cover sheet and fax report serve as your invoice.
- Transmission errors are common. The only way to determine if the document was successfully transmitted is for you to call the recipient. THIS IS NOT THE RESPONSIBILITY OF THE LIBRARY.
- It is your responsibility to double-check the fax report PRIOR TO LEAVING THE LIBRARY to make sure the fax was sent to the correct number. No refunds given or free re-faxing done once you leave the library.
- **Faxes can only be sent out.** The library will not identify, collect, store, notify, or assume responsibility in any way for fax transmissions sent to patrons at the library.
